ORGANIC TRIO

coddling aromas embedded in beeswax, soy and palm wax

Our line was designed exclusively for organic products lovers who enjoy luxurious, pampering aromas. Organic Trio collection consists of three types of eco-friendly wax candles and is strongly inspired by the nature's healing and nourishing powers. Discover milk and honey aromas hidden in natural beeswax, exotic coconut chords in the palm wax or stimulating pearl and cocoa butter scent of our soy wax candles.

Get inspired and start your journey to the heart of sweet and warm smells.

SCENTED WAX CUBES

highly fragranced, eco-friendly soy wax melts

High quality fragrant soy cubes full of intense aromas of amber, apricots, lily of the valley, freesia, peony, poppy flowers, cornflowers and forget-me-nots. These intriguing scents will fill the air in your apartment and improve your mood. Our scented cubes are made of the cleanest, eco-friendly soy wax. Please remember to always place the cubes on a protected surface (e.g. glass stand) as wax gets easily heated in high temperatures.

Wax color	ivory	Cube dimensions	15×15 mm
Fragrance durability	4 hours / single wax cube	Container	eco-friendly cardboard box
Weight	3 g
